RE-ENTRY PARTNERSHIP HOUSING

Re-Entry Partnership Housing (RPH) provides subsidized housing to convicted felons who remain in prison due solely to having no residential options. Re-entry housing partners provide stable housing and food (room and board). This partnership pays the first two months' fees, with the possibility of a third month's, so that the offender has a chance to get out of prison and find employment. Contact Kitty Ulmer with the State Board of Pardons and Paroles at (404) 651-6582 for more information about getting an offender qualified for this program. Click here to access information about becoming a Re-entry Housing Partner:
